

## SIROLaser Advance Plus (SLA+) Laser Controlled Area Warning Sign

- Instructions:**
1. Enter the name of the Laser Safety Officer (LSO) in the editable field below.
  2. Print the document on white paper with a color (required) printer (suggest using heavier stock paper).
  3. Trim printout at the black border of the image and then laminate sign for use.
  4. Place the Warning Signs in the appropriate locations when utilizing the SIROLaser Advance Plus Laser.
  5. Remove Warning Signs when SIROLaser is no longer in use.
