

LightWalker AT & ATS Controlled Area Warning Sign

- Instructions:
1. Enter the name of the Laser Safety Officer (LSO) in the editable field below.
 2. Print the document on white paper with a color (required) printer (suggest using a heavier / card stock paper).
 3. Save document with a new file name as a PDF, to maintain the original file for future use.
 4. Trim printout at the black border of the image and then laminate sign for use.
 5. Place the Warning Signs in the appropriate locations when utilizing the SIROLaser Advance.
 6. Remove Warning Signs when the LightWalker is no longer in use.
